*Good Morning!*

*Holy Week 2019. Every year the Church celebrates the most significant week ever in the history of humankind. To look back and realize all the events leading up to and including this week were orchestrated by our Heavenly Father so that we might be reconciled unto Him. It was His plan and it cost Him His only Son—Jesus. As we begin today with Palm Sunday I encourage you to look at the calendar of events taking place on the bottom of the next page. I would strongly encourage you to participate in as many as you can as together we experience Holy Week as a Church family.*

*This week we will observe what the Word teaches us about that first Palm Sunday. May God bless you throughout this week.*

*Thanks for being here today! -- Pastor Tim*

Our Mission statement can be simply stated as **Know, Grow, and Show**:

We seek to **KNOW** God through worship and fellowship;

We seek to **GROW** spiritually and corporately;

We seek to **SHOW** the community who Jesus is.

**WELCOME!** If this is your first visit to Leipsic First Christian Church (or even if you have been hanging out for a long time) we are so glad you are here. Sometimes, when we visit some place new, we have lots of questions. So here are a few notes that might answer some of those questions:

- **We're nothing special**—just a bunch of Christ followers on a journey to figure out how we fit in God's Kingdom and how to live in this world. We make mistakes like everyone else but we are striving to do better each day.
- We serve **Communion** (the Lord's Supper) **every week**. Ours is an "open table" which means that you don't have to be a member here to participate in communion. The only requirement is that you have confessed Jesus as your Lord and Savior. As the trays are passed just take each element and pass it on to the next person. (Go ahead and give the cup back).
- We serve **coffee** (usually). It's located up at the front of the church in the room on the left.
- We have a **nursery** for children from birth through age 4. It's downstairs in the basement in the northwest corner.
- **During the school year** we have a **Junior Worship** service in the basement that takes place during worship for children grades K-5.
- We have this wild **greeting (or fellowship) time** that takes place early in the service. Hold on to your hats, because this is a crazy friendly place and you will be greeted multiple times.
