Three life-changing lessons about what to do when you face an impossible challenge:

1. Never _____ a problem in light of your own resources.
 - a. Some people say, “I _____ that I should do this.”
 - b. Some people say, “I _____ that we could do this.”
 - c. Some people who say, “I _____ that God wants to do the impossible.”
2. A little becomes _____ in the hands of Jesus.

This lad took two steps of faith we all need to take if we want to see God’s power released in our lives:

STEP 1: Transfer ownership of _____ you have to Jesus.

STEP 2: Jesus _____ what you give Him and gives back _____.

3. God will create a _____ in your life to _____ that he can meet it.

When it comes to impossible situations and challenges, I want to ask you to look in three directions with me:

1. _____: Looking back and seeing that God _____ you.
2. _____: Looking _____ to the _____ of heaven.
3. _____: Looking through your current _____ to see Romans 8:28.
