

Touching the Untouchable
The Gospel of Mark: Servant and Savior— Part 7
Mark 1:40-45
February 24, 2019

Here's our big idea for this week:

It's OK to _____ the unlovely and _____ the untouchable.

As we walk through this passage, let's make three observations as to what happened with this man with leprosy:

1. The man's _____.
2. We see the _____ of Jesus.
3. The healed man lives on _____.

Verse 43: "And Jesus sternly charged him and sent him away at once..."

Notice three things:

1. It was _____.

"Jesus sternly charged him..."

2. It was _____.

"And sent him away..."

3. It was _____.

"at once."

I can think of five reasons why this man's actions were detrimental:

1. It was _____.
2. It _____ Jesus.
3. It _____ the mission.
4. It short-circuited _____ to the priests.
5. It kept him from fully _____ society.
