

The People
God is Closer Than You Think—Part 5
Colossians 4:7-18
November 22, 2020

Indicators which help us recognize God's presence in and through the people around us:

1. If you can describe how a person's character traits _____ God, you might be seeing God through the people around you.
2. If you see people not for their earthly status but for their _____ in Christ, you might be seeing God through the people around you.
3. If you observe Christ-followers who stick _____ to those who are in trouble, you might be seeing God through the people around you.
4. If you see someone who has failed and is being _____, you might be seeing God through the people around you.
5. If you see people who are bringing comfort to those who are _____, you might be seeing God through the people around you.
6. If you pray _____ prayers on behalf of the Christians you know, you might be seeing God through the people around you.
7. When you observe people who are willing to _____ for the cause of Christ, you might be seeing God through the people around you.
8. If you observe someone whose first LOVE is Jesus, you might be seeing God through the people around you.
9. If you see men and women _____ indiscriminately in the church, you might be seeing God through the people around you.
10. If you see Christians who are faithful to _____ what they begin, you might be seeing God through the people around you.

11. If you observe someone whose first LOVE is Jesus, you might be seeing God through the people around you.
